Impression to the teacher

I'm excited to be one of your students again! This will be an exciting and fun journey with you!

This year, I want to learn more about

1

I'm excited about learning data administration because I know these skills will open doors for me in the future.

2

I love the idea that I can use data to actually solve problems and make life easier for people.

3

Create more memories while gaining both hard and soft skills from our class.
